## PROFESSIONAL SUMMARY

I am highly skilled and compassionate Nephrologist with extensive experience in the diagnosis, treatment and management of a wide range of kidney-related disorders. I have proven expertise in managing acute and chronic kidney diseases, including hemodialysis and peritoneal dialysis, hypertension, electrolyte imbalances as well as ICU management. I hold FCPS degree in Nephrology and I am committed to evidence-based clinical practice. I can adept at working collaboratively within multidisciplinary teams to provide comprehensive, patient-centered care. I am recognized for my clinical excellence, a strong academic background, and active involvement in teaching, research, and quality improvement initiatives.
