

Mainali Sneha

Assistant nurse

17 Street, Al Mankhool, Dubai, U.A.E.

Phone:- +971-557155128 , Email :- Dineshpokhrel2049@gmail.com

Objective

DHA-licensed Assistant Nurse with over 3 years of experience in Dental, NICU, and Pediatric care. Skilled in neonatal resuscitation, patient counseling, infection control, and maintaining accurate clinical records. Known for providing safe and compassionate care, working well in a team, and handling duties effectively under pressure.

Professional Experience

Senior Staff Nurse - (Pediatric)

Jhapa National Hospital Pvt. Ltd - Jhapa, Nepal (Jul 2023 – Mar 2025)

- Provided daily care to more than 20 pediatric patients in Maternity and Pediatric wards while strictly following clinical guidelines.
- Accurately monitored patients, recorded charts, and supported treatments, contributing to faster recovery.
- Worked closely with doctors and healthcare teams to improve care plans and shorten hospital stays.
- Focused on patient-centered care with compassion and professionalism, earning appreciation from most families.

Staff Nurse - (NICU)

Manmohan Memorial Medical College & Teaching Hospital - Jhapa, Nepal (Jul 2020 - Nov 2022)

- Supported over 30 successful neonatal resuscitations and cared for critical NICU patients on ventilator support.
- Safely administered medications and IV therapy to newborns, helping reduce complications and improve outcomes.
- Guided and trained 3 junior nurses in infection control, feeding procedures, and emergency care.
- Offered post-discharge counseling and breastfeeding guidance to more than 100 families.
