Profile Summary

Compassionate and dedicated Nursing Assistant with over 5 years of hands-on experience providing high-quality patient care in ICU, NICU, general wards, orthopaedic units, and OPD settings. Skilled in monitoring vital signs, assisting with medical procedures, maintaining hygiene standards, and supporting patient admission and discharge processes. Experienced in new-born care, emergency assistance, and infection control practices. Known for strong teamwork, effective communication, and a patient-centered approach to care. Committed to delivering safe, ethical, and compassionate healthcare services while supporting nursing staff and physicians to ensure optimal patient outcomes in fast-paced hospital environments.
