Dear Hiring Manager,

I am writing to express my interest in opportunities within your healthcare organization. With more than nine years of international experience as a Registered Nurse across India and Saudi Arabia, I bring a strong background in medical, surgical, pediatric, and emergency care. My expertise spans patient assessment, wound care, IV therapy, pre- and post-operative support, and infection control practices, allowing me to provide high-quality, safe, and compassionate care to diverse patient populations.

Throughout my career, I have collaborated effectively with multidisciplinary healthcare teams to achieve optimal patient outcomes. I have been recognized for mentoring junior staff, maintaining accurate medical documentation, and contributing to audits and quality improvement initiatives. My training in Basic Life Support (BLS) and Advanced Cardiovascular Life Support (ACLS), combined with my DHA License, enables me to adapt quickly to fast-paced environments while ensuring compliance with professional and organizational standards.

What drives me most is my commitment to patient-centered care and continuous professional development. I am confident that my skills, dedication, and compassionate approach will allow me to contribute meaningfully to your team and uphold the highest standards of nursing practice. Thank you for considering my application. I would welcome the opportunity to discuss how my qualifications and experience align with your requirements.

Sincerely,

JINCY JACOB
