Dear Hiring Manager,

I am writing to express my interest in the position of Registered Nurse at your esteemed healthcare facility. As a Bachelor of Science in Nursing (BSc Nursing) graduate from Kerala University of Health Sciences and a Registered Nurse with the Kerala Nurses & Midwives Council (Reg. No: KL03202304360), I possess a strong foundation in pediatric nursing, patient care management, and critical care support.

I serve as a Staff Nurse in the Pediatric Ward & Pediatric ICU at St. James Hospital, Chalakudy, India where I have gained extensive hands-on experience in monitoring vital signs, IV therapy and infusion management, emergency response, wound care, and infection control. My role involves collaborating closely with multidisciplinary healthcare teams, maintaining accurate electronic medical records (EMR), and ensuring evidence-based, patient-centered care for optimal clinical outcomes.

I am BLS and ACLS certified, with proven expertise in handling critical pediatric cases and operating medical equipment such as infusion pumps, cardiac monitors, pediatric incubators, and oxygen delivery systems. I consistently uphold the highest standards of patient safety, aseptic technique, and hospital protocol compliance. My ability to work effectively under pressure, combined with strong communication, leadership, and adaptability skills, allows me to deliver exceptional care even in high-demand healthcare environments.

With a compassionate approach and dedication to professional excellence, I am eager to contribute to your institution's mission of providing quality healthcare. I am confident that my clinical expertise, technical proficiency, and commitment to continuous learning make me a strong fit for this position.

I would appreciate the opportunity to discuss how my qualifications align with your team's goals. Thank you for your time and consideration.

Yours sincerely,  
Shalet Shaju
