

ANJALI KANDASI

Quality Assurance Professional | Laboratory Operations | Biotechnology

Quality assurance professional with over five years of laboratory experience in regulated healthcare and diagnostic environments. Demonstrated capability in maintaining quality documentation, supporting accreditation audits, ensuring SOP compliance, and upholding data integrity standards. Experienced in CAP, NABL, and ISO frameworks with practical knowledge of GMP, HACCP, and ISO 22000 principles. Adept at managing laboratory operations, inventory control, and quality records while contributing to continuous improvement initiatives. Currently seeking opportunities in food quality assurance, healthcare, life sciences, and biotechnology sectors across the UAE.

CORE COMPETENCIES

- Documentation Control and Good Documentation Practices
- Equipment Calibration and Monitoring
- Data Integrity and Record Keeping
- Process Improvement Initiatives
- Inventory and Supply Management
- Food Safety & Quality Standards
- CAPA & Root Cause Analysis
- Laboratory Testing and Analysis
- Regulatory Compliance and Audits
- Quality Management Systems

WORK EXPERIENCE

Research Assistant

Dr. Lal PathLabs

October 2024 - July 2026

- Maintained comprehensive quality records and laboratory documentation in compliance with CAP, NABL, and ISO accreditation requirements.
- Participated actively in internal and external audit processes, ensuring all documentation and procedures met regulatory standards.
- Ensured strict adherence to Standard Operating Procedures and quality protocols across all laboratory functions.
- Managed laboratory inventory systems, monitored supply levels, and coordinated procurement to prevent operational disruptions.
- Prepared detailed compliance reports and maintained accurate records of all quality-related activities.
- Supported the implementation of corrective and preventive actions to address non-conformances and improve laboratory processes.

Junior Scientist

Advance Genomics Institute and Laboratory Medicine

April 2021 - October 2024

- Supported quality systems implementation and documentation activities in a regulated laboratory environment.
- Maintained and controlled laboratory records, ensuring all documentation followed Good Documentation Practices.
- Assisted in the deployment of quality standards and procedures to ensure consistent laboratory operations.
- Ensured compliance with established laboratory protocols and regulatory requirements.
- Contributed to the review and updating of SOPs to reflect current best practices.
- Collaborated with cross-functional teams to support quality improvement initiatives.

EDUCATION

M.Sc. Biotechnology

Chaudhary Charan Singh University, Meerut

B.Sc. Biotechnology

Chaudhary Charan Singh University, Meerut

PROFESSIONAL SKILLS

- Quality Assurance and Quality Control
- SOP Development and Compliance
- Audit Coordination and Support
- CAPA Implementation
- Root Cause Analysis
- Good Manufacturing Practices (GMP)
- HACCP Principles

- ISO 22000 Awareness
- NABL Accreditation Standards
- CAP Standards
- Laboratory Testing and Sample Preparation
- Equipment Monitoring and Calibration
- Inventory Management
- Quality Record Keeping
- Documentation Systems
- Microsoft Excel
- Report Generation
- Data Management
- Statistical Analysis
- Attention to Detail
- Problem-Solving
- Communication
- Team Collaboration
- Time Management

PROFESSIONAL KNOWLEDGE

- Good Manufacturing Practices (GMP)
- Documentation Control and Record Management
- Karyotype Analysis and Basic Cytogenetic Techniques
- Quality Assurance Fundamentals
- ISO 22000 Food Safety Management Awareness

ADDITIONAL INFORMATION

- **Visa Status:** Spouse Visa
- **Availability:** Immediate Joining
- **Languages:** English, Hindi
