PROFESSIONAL EXPERIENCE

Medical Officer

Archana Hospital

May 2022 - June 2024

Thodupuzha, Kerala

Duties & Responsibilities

- Conducted comprehensive patient assessments to formulate accurate diagnoses and develop effective, individualized treatment plans.
- Managed the complete patient care cycle, from admission and daily management through to discharge planning, ensuring continuity and consistency of care.
- Maintained meticulous and compliant patient records, ensuring all clinical documentation accurately reflected the care provided and supported billing and coding requirements.
- Facilitated clear, empathetic communication with patients and families, thoroughly explaining diagnoses, treatment options, and preventive health strategies to promote informed decision-making.
- Worked collaboratively with a diverse team of specialists, nurses, and allied health professionals to coordinate care and ensure optimal patient outcomes.

Assistant Medical Officer

Community Health Center

Duties & Responsibilities

Mukkam | (Locum Tenens)

- Delivered primary healthcare services to a diverse community population, managing both acute and chronic conditions in an outpatient setting.
- Provided direct clinical support during public health initiatives, including immunization drives and health awareness campaigns, contributing to community wellness.
- Coordinated referrals and follow-up care for patients requiring specialized treatment at tertiary care centers, ensuring smooth transitions and continuity of care.
- Maintained accurate and confidential patient health records, adhering to strict data privacy and organizational standards.

CLINICAL TRAINING

Rotatory Intern

Al Azhar Medical College, Thodupuzha

2018 - 2019

Thodupuzha, Kerala

Duties & Responsibilities

- Gained extensive clinical experience across various departments including Internal Medicine, General Surgery, Pediatrics, and Obstetrics & Gynecology.

- Assisted senior consultants in patient consultations, diagnostic evaluations, and surgical procedures, including over 50 normal deliveries and 50 cesarean sections.
- Managed patient monitoring and follow-up, documenting clinical progress and reporting any significant changes to the supervising physician.
- Provided emergency care and stabilization for acute cases in the Emergency Department and Intensive Care Unit, demonstrating competence in high-pressure situations.
- Learned to interpret complex laboratory and diagnostic imaging results to aid in accurate clinical decision-making.

EDUCATION

Certified Professional Coder (CPC)

AAPC | May 2025

Bachelor of Medicine and Bachelor of Surgery (MBBS)

KMCT Medical College, Calicut, Kerala | 2019

ACHIEVEMENTS & HIGHLIGHTS

- Successfully managed over 50 normal deliveries and assisted in a similar number of cesarean sections, ensuring safe outcomes for both mothers and newborns.
- Demonstrated leadership and initiative by organizing multiple academic and co-curricular initiatives during medical school.
- Gained critical care experience managing acute and life-threatening conditions in the Emergency Department and Intensive Care Unit.
