PROFILE SUMMARY

Dedicated and compassionate Staff Nurse with experience in the Medical ICU, delivering high-quality patient care with a focus on evidence-based practices and infection control. Skilled in collaborating with multidisciplinary teams, educating patients and families, age appropriate patient care and ensuring seamless medical procedures. Adept at handling patient monitoring, and maintaining accurate nursing documentation. Committed to fostering positive patient experiences and contributing to the overall efficiency of healthcare operations. DHA eligible, with a strong understanding of healthcare standards in the UAE.

PROFESSIONAL EXPERIENCE

KARUNA CANCER HOSPITAL & DIALYSIS CENTRE (2023 – 2025)

STAFF NURSE MEDICAL ICU

- Deliver comprehensive care to critically ill patients in the Medical ICU.
- Maintain accurate, up-to-date nursing documentation and ensure seamless patient management.
- Collaborate with multi disciplinary health care teams to optimize patient outcomes.
- Assist doctors during patient rounds, providing critical updates and supporting medical procedures.
- Implement and monitor infection control protocols, including isolation practices, to prevent cross contamination.
- Educate patients and families on disease management, treatment options, and discharge planning.
- Perform efficient and accurate admission, transfer, and discharge procedures.
- Conduct regular inventory audits to ensure the availability of essential medical supplies and equipment.
- Participate in staff training programs, continuing education, and team meetings to enhance skills and knowledge.
- Foster positive interpersonal relationships with patients, families, and the health care team to ensure holistic care.
- Adhere to evidence-based practices and hospital policies to deliver safe and high-quality patient care.
