I have also completed professional training in manual therapy, dry needling, cupping therapy, kinesio taping, shoulder and knee rehabilitation, and antenatal and postnatal rehabilitation. I have passed the DHA Physiotherapist Examination, and my DHA Dataflow verification is currently in progress.

I would welcome the opportunity to contribute my clinical skills, dedication, and patient centered approach to your organization. Thank you for considering my application. I look forward to the opportunity to discuss my suitability for the position.

Sincerely,
