PROFESSIONAL EXPERIENCE

Staff Nurse

GG Hospital (GG Family Clinic)

May 2025 – Jun 2026

India

- Deliver patient-centered nursing care in multi-specialty clinical settings.
- Administer IV medications, injections, immunizations, and prescribed treatments.
- Assist physicians in dermatology, gynecology, ENT, and orthopedic procedures.
- Support infertility treatments including IUI and endometrial aspiration.
- Manage pediatric vaccination schedules and provide patient education.
- Maintain accurate EHR documentation and coordinate multidisciplinary care.

Staff Nurse

GG Hospital (GG Family Clinic)

Jul 2023 – Dec 2024

India

- Oversaw daily administrative operations of the institute, including maintaining accurate student records, scheduling classes, and coordinating internal communications across teams.
- Managed training schedules and course documentation systematically to ensure timely delivery of academic programs and efficient resource allocation.
- Coordinated academic activities, including timetable scheduling, rescheduling sessions, and arranging substitute coverage during instructor unavailability to minimize class disruptions.
- Designed and reviewed question papers, assignments, and assessments to ensure alignment with curriculum standards and learning objectives.
- Monitored student progress and maintained updated records of attendance, grades, and course completions for reporting and accreditation purposes.

Staff Nurse – Medical and Surgical Ward

Cosmopolitan Hospital

Oct 2021 – Jul 2023

India

- Deliver nursing care to medical and surgical patients in a NABH-accredited hospital.
- Administer oral, IV, IM, and subcutaneous medications.
- Assist physicians during emergency care, stabilization, and post-operative management.
- Perform wound dressing, IV cannulation, specimen collection, and infection prevention.
- Maintain accurate patient documentation and coordinate multidisciplinary care.
- Monitor vital signs and respond promptly to changes in patient condition.

Staff Nurse Trainee

Cosmopolitan Hospital

Sep 2020 – Sep 2021

India

- Assist registered nurses in medical and surgical wards.
- Monitor vital signs and document patient observations.
- Support routine nursing procedures, wound care, and IPC practices.
- Participate in clinical rounds, nursing handovers, and patient care planning.
- Help maintain a clean, safe, and organized patient environment.
- Observe and learn emergency response and medication preparation.

Student Nurse Intern

AJ School of Nursing (Clinical Rotations)

India

2016 – 2019

- Complete rotations in medical, surgical, pediatric, maternity, and community health.
- Assist with patient hygiene, feeding support, and mobility management.
- Monitor vital signs and support medication preparation and wound care.
- Observe nursing procedures and documentation practices.
- Support patient education and comfort measures.
- Follow infection control and safety guidelines during clinical duties.
