UZMA FATIMA

DHA Certified General Dentist, Expertise in orthodontics, endodontics, prosthodontics, extraction and aesthetic restoration procedures

Summary

Passionate and highly capable Dental Surgeon. Proactively offering over 3 years of clinical excellence with a proven track record of sustaining a 95%+ case success rate and 98% patient satisfaction. Fully equipped with the clinical autonomy and leadership skills necessary to manage a fast-paced dental clinic single-handedly. Fluent in English, Hindi, Urdu, and basic Telugu ensuring high-quality, culturally sensitive care for diverse patient demographic.

Work Experience

June 2025 – September 2026

General Dentist

Deccan Dentics Dental Clinic

Clinic Leadership: Exercised complete operational autonomy to handle the clinic single-handedly during the head dentist's absence, managing staff and safeguarding clinical standards.

Clinical Excellence: Maintained a 95%+ treatment success rate across comprehensive restorative procedures and root canal therapies.

Patient Satisfaction: Achieved a 98% patient satisfaction score by creating customized treatment strategies and cultivating a compassionate environment.

Diagnostics: Conducted high-precision oral evaluations and analysed digital radiographs for accurate patient mapping.

June 2023 – June 2025

General Dentist

Shifa Dental Clinic

Process Optimization: Introduced operational workflows that heavily increased efficiency in patient scheduling and daily treatment delivery.

Community Outreach: Organized and executed localized dental screening camps, raising oral hygiene awareness and driving community preventive care.

Patient Education: Instructed patients on proper oral hygiene maintenance, significantly lowering posttreatment complication rates.
